Class & Race Features

Rogue (L3)

- **Expertise (2 skills):** Stealth and Sleight of Hand — double proficiency bonus.
- **Sneak Attack (2d6):** Once per **turn** (not just your own turn — reactions count), when you hit with a finesse or ranged weapon and either (a) have **advantage** OR (b) an **ally is within 5 ft** of the target and you don't have disadvantage, deal +**2d6 damage**.
- **Thieves' Cant**
- **Cunning Action (L2): Bonus action** — Dash, Disengage, or Hide. Best mobility toolkit in the game at L3.

- **Roguish Archetype — Assassin (L3):**
 - **Bonus Proficiencies:** Disguise Kit, Poisoner's Kit.
 - **Assassinate:** Advantage on attack rolls against any creature that hasn't taken a turn in combat yet (Round 1 for anyone with lower initiative than you). Also: any hit against a surprised creature is an automatic critical hit.

Lightfoot Halfling

- **Lucky:** When you roll a 1 on d20 for attack, ability check, or save, **reroll — must take the new roll.**
- **Brave:** Advantage on saves vs. Frightened. (Hard counter to the Fighter's Menacing Attack among others.)
- **Halfling Nimbleness:** Can move through the space of any creature larger than you.
- **Naturally Stealthy:** Can attempt to **Hide when obscured by a creature at least one size larger** — i.e. a single ally in front of you. **Enormous in 3v3** where there's usually a bigger teammate.
- **Base speed:** 25 ft (downside vs the Fighter's 35 ft kiting, but less relevant on compact arena maps)

Signature Tactical Moves

1. **Assassinate Opener (the nova).** Round 1 initiative: **beat one enemy on initiative** (DEX +3 gives reasonable odds). That enemy hasn't taken a turn yet → **Assassinate = advantage** on your attack. Shortbow attack at 80 ft, +5 to hit with advantage ~**80% hit rate + 19% crit rate**. Hit = **1d6 + 3 + 2d6 Sneak Attack = avg 11**. Crit = **2d6 + 3 + 4d6 Sneak Attack = avg 21**. If somehow surprised (rare) it auto-crits. **Best Round-1 single-target damage in the roster.**
2. **Hide-Behind-Bigfoot Cycle.** On any turn your Barbarian/Fighter/Paladin ally is adjacent to an enemy: **Attack (with ally within 5 ft → Sneak Attack active) → Bonus action Cunning Action — Hide** (behind the ally, via Naturally Stealthy). Next turn, your Hide grants **advantage → Sneak Attack activates a second way**. You chain Sneak Attacks every round without needing advantage from any other source.
3. **Cunning-Disengage Kite.** An enemy closes on you. Attack → **Bonus action Disengage → move 25 ft to a new angle behind an ally**. No opportunity attacks, still within range to Sneak Attack next turn. The Rogue never dies because the Rogue never stays put.

Action Economy (Quick Reference)

Slot	Options
Action	Attack (Shortsword 1d6+3 finesse, +5 to hit · Shortbow 1d6+3 ranged, +5 to hit, 80/320 · Dagger 1d4+3 finesse/thrown, +5 to hit, 20/60) · Dash · Dodge · Hide · Use Object
Bonus Action	Cunning Action — Dash / Disengage / Hide · Off-hand Dagger attack (TWF, no mod to damage)
Reaction	Opportunity Attack · Uncanny Dodge unlocks at L5, not here
Free Movement	Draw/stow weapon, one object interaction 25 ft

Damage Reference (with Sneak Attack triggered)

- **Shortbow + Sneak Attack:** 1d6 + 3 DEX + 2d6 sneak = **avg 11** (range 80/320)

- **Shortsword + Sneak Attack (flanking via ally):** $1d6 + 3 + 2d6 = \text{avg } 11$
- **Crit with Sneak Attack (Assassinate turn):** $2d6 + 3 + 4d6 = \text{avg } 21$
- **Dagger thrown (no sneak):** $1d4 + 3 = \text{avg } 5.5$
- **No Sneak Attack turn (no advantage, no ally-5ft):** $1d6 + 3 = \text{avg } 6.5$ (*this is why positioning matters*)

Town Phase Notes

- **Stealth +7 + Sleight of Hand +7 (Expertise)** — best Black Market / Pickpocket / Casino cheat character in the roster.
- **Poisoner's Kit proficiency** — if the shop stocks poisons, Perrin's the buyer. A Basic Poison (1d4 extra damage on a weapon for 1 min) stacks well with Sneak Attack crit fishing.
- **Thieves' Tools +5 + Perception +3** — viable for hidden Catacombs doors and trapped chests.
- Weak at Library (INT 10, no Arcana/History), average at Haggling (CHA 14 Deception +4 helps).
